

APPLICATION FOR STATE AID

PROJECT THAT ALREADY SUBMITTED AN APPLICATION THE EUROPEAN REGIONAL DEVELOPMENT FUND OR THE EUROPEAN SOCIAL FUND

All projects co-financed by the European Regional Development Fund or the European Social Fund must be able to document that the EU co-financing makes a difference.

For enterprises that receive state aid it means that the possibility of EU co-financing must have encouraged them to join the project. This is documented by the enterprise providing information in the application form, meaning before the project has started.

In some projects, the enterprises are enrolled on an ongoing basis after the application has been submitted to the Growth Forum. In these cases, each enterprise must complete the questions below before it enters the project.

It is a requirement that each enterprise:

1. provides the information before it commences its part of the project or the activity
2. receives aid under the Danish Structural Fund Programmes 2014-2020, and that
3. the aid to the enterprise is granted under the "General Block Exemption Regulation".¹⁾
